# TIFFANY TOUISSANT

## ADVOCACY SPECIALIST

Tiffany Angelique Toussaint hails from the beautiful island of St. Thomas, U.S. Virgin Islands where she was born and raised. In 2005, she relocated to Daytona Beach, Florida where she attended Bethune-Cookman University and later graduated with a bachelor's degree in Criminal Justice. Tiffany's heart for helping others grow into their full potential holistically continued to blossom into a passion for social work. This led to her attain a master's degree in Social Work. Over the years, Tiffany has worked with several local agencies to affect change in the lives of many.

Today, Tiffany is a Licensed Clinical Social Worker and works as a full-time Mental Health Therapist with Volusia County Schools. She is known as being an advocate with a passion to help others overcome areas of obstacles and stagnation in their lives. After the tragedy of losing her mother in 2017, she was able to heal and overcome with the help of prayer, therapy, and lots of love and support from family and close friends. The magnitude of this loss is something that will always be felt, however, she has decided to use weight of the loss to her mother's legacy here on Earth. Tiffany wants everyone that she encounters to feel at ease, comfortable, excited, engaged, motivated, and ultimately, empowered.

TIFFANY TOUISSANT will focus on serving student-athletes in the following areas:
